

## Found

Far from home I wandered alone  
I worried and frowned with my eyes to the ground  
But mercy was drawing me in. Now I've been found

**Found – I've been rescued, released  
Your pursuit of me, it never ceased  
Oh – oh, what a beautiful sound!  
I've been rescued, released and now I'm found  
Now I'm found**

All forsaken, broken, shaken  
You turned me around and now I've been crowned  
Love has been drawing me in. Now I've been found

**Found – I've been rescued, released  
Your pursuit of me, it never ceased  
Oh – oh, what a beautiful sound!  
I've been rescued, released and now I'm found  
Now I'm found**

*In a storm I was tossed; thought I'd always be lost  
But You loved me - so Your love met the cost*

**Found – I've been rescued, released  
Your pursuit of me, it never ceased  
Oh – oh, what a beautiful sound!  
Oh – oh, what a beautiful sound! (Oh, oh...)  
Oh – oh, what a beautiful sound!**

**I've been rescued, released and now I'm found**
